## LAKE CRAIG FLOOD MANAGEMENT- AZALEA ROAD PROJECT Community Meeting #1

Hosted by the City of Asheville, North Carolina

**Project Information:** In an effort to reduce downstream flooding impacts, the project will evaluate Lake Craig Dam at Azalea Park for additional flood mitigation. The project also includes flood plain fill removal and river restoration along the Swannanoa River, a much needed water line extension to the John B. Lewis Soccer Complex, and roadway improvements along Azalea Road.

**Public Meeting Purpose:** The purpose of the meeting is to introduce the project, present the various design alternatives and solicit feedback from the community. This meeting is free to the public and will be held in an open-house/flexible drop-in format.

**WHEN:** Friday, November 4, 2011

**TIME:** 4 – 7 p.m.
